The Investment Committee of Property and Infrastructure Funds (the "**Investment Committee**"), at its meeting held on 20 February 2026, resolved to approve the convening of the unitholders' meeting of the Fund No. 1/2026, to be held on 27 April 2026 at 9.30 a.m. via electronic meeting. SCB Asset Management Co., Ltd. (the "**Management Company**"), in its capacity as the management company of the Fund, therefore invites the unitholders of the Fund to attend the meeting at the date and time specified above to consider the following matters in accordance with the agenda items below:

**Agenda 1**      **To consider and approve the entry into a Confirmation and Undertaking Agreement with TUC and the amendments to the Fund Scheme to reflect the internal restructuring transaction of TUC**

## Facts and rationale

The Management Company has received a letter from TUC<sup>1</sup>, AWC<sup>2</sup> and BFKT<sup>3</sup>, each being a company within the group of True Corporation Public Company Limited (“**TRUE**”), dated 19 March 2026, providing information on TRUE’s internal restructuring, which consists of various related transactions, including the amalgamation of TUC, AWC and BFKT pursuant to section 1238(2) of the Civil and Commercial Code (the “**Amalgamation**”). Upon completion of the Amalgamation, AWC and BFKT will cease to exist as juristic persons and TUC will be the surviving entity. By operation of law, TUC will assume all assets, liabilities, rights, duties and responsibilities of AWC and BFKT (collectively, the “**TUC Restructuring Transaction**”).

The Amalgamation under the TUC Restructuring Transaction will have the following consequences in relation to the Fund:

1. Ownership of the Telecom Infrastructure Assets, being fiber optic cable (FOC) of 7,981 km or equal to 303,453 core km in upcountry areas, which are currently owned by AWC and leased to the Fund for a term of 20 years expiring on 5 March 2035 pursuant to a long term lease agreement dated 5 March 2015 (the “**LTLA**”), will be transferred to TUC by operation of law.
2. Ownership of the remaining telecommunication towers, being 392 towers currently owned by AWC and 50 towers currently owned by BFKT, will be transferred to TUC by operation of law (the “**Remaining Telecommunications Towers**”). The Remaining Telecommunication Towers are currently leased by TUC from AWC and BFKT for a term of 10 years expiring on 3 August 2035 pursuant to the tower slot lease agreements between AWC, as lessor, and TUC, as lessee, dated 4 August 2025, and the tower slot lease agreements between BFKT, as lessor, and TUC, as lessee, dated 4 August 2025 (collectively, the “**Tower Slots Lease Agreements**”). The Tower Slots Lease Agreements will cease to have effect by operation of law, as the lessor and lessee will merge into a single entity (TUC).
3. The obligation of each of AWC and BFKT to deliver the monthly revenue received from the lease of the Remaining Telecommunication Towers being transferred to the Fund under the asset and revenue sale and transfer agreement between AWC and the Fund dated 24 December 2013 and the asset and revenue sale and transfer agreement between BFKT and the Fund dated 24 December 2013 (collectively, the “**ARSTAs**”) will become an obligation of TUC by operation of law following the Amalgamation.

The consequences of the Amalgamation under the TUC Restructuring Transaction in relation to the Fund are illustrated below::

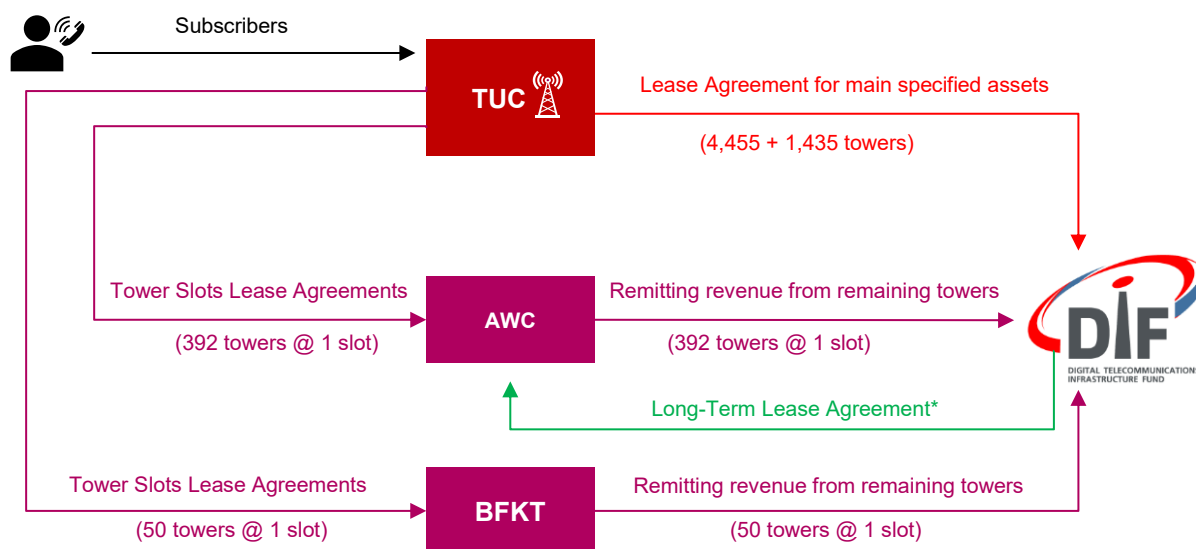

---

<sup>1</sup> TRUE holds 99.99 per cent of the total issued shares in TUC directly.

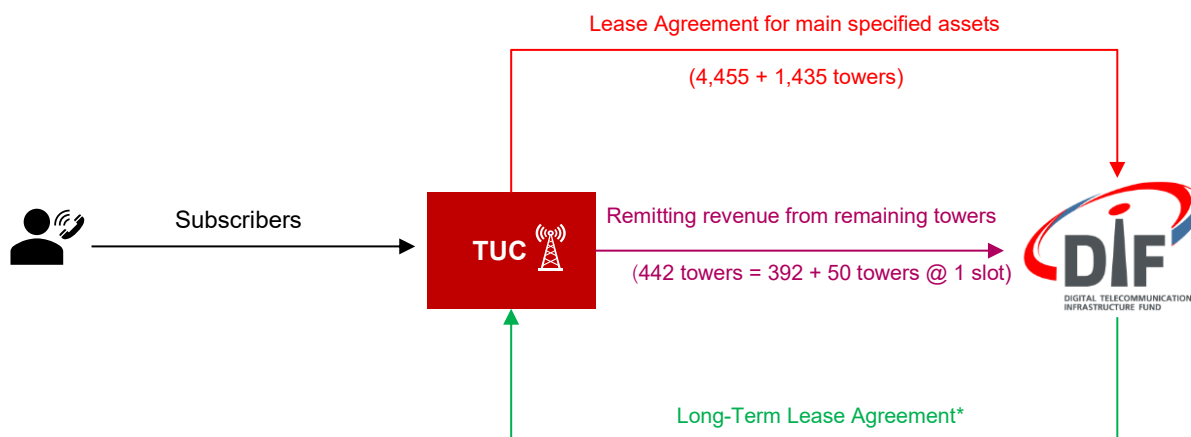

<sup>2</sup> TRUE holds 99.99 per cent of the total issued shares in AWC indirectly through its shareholding in Telecom Holding Co., Ltd. (“TH”), in which TRUE holds 99.99 per cent of the total issued shares directly.

<sup>3</sup> TRUE holds 99.99 per cent of the total issued shares in BFKT indirectly through its shareholding in TUC.

**Investment Structure in the Form of Revenue Transfer and Long-term Lease Agreement of the Fund Before the Amalgamation**

**Investment Structure in the Form of Revenue Transfer and Long-term Lease Agreement of the Fund After the Amalgamation**

\*The Fund subleases the assets under the Long-Term Lease Agreement from additional investment no.1 in 2015 to True Internet Corporation Company Limited (TICC)

In order to reflect the Fund's operations in respect of the TUC Restructuring Transaction, the Investment Committee has resolved to propose that the unitholders' meeting no. 1/2026 be held to consider and approve the following matters:

**Agenda 1.1 To consider and approve the entry into a Confirmation and Undertaking Agreement with TUC to reflect the TUC Restructuring Transaction**

**Facts and rationale**

Although the obligation to deliver monthly revenue received from the lease of the Remaining Telecommunication Towers, comprising 392 telecommunication towers of AWC and 50 telecommunication towers of BFKT, under the Tower Slots Lease Agreements in which the Fund has invested by way of rights to receive benefit from such revenue under the ARSTAs, will be transferred to TUC by operation of law as a result of the Amalgamation under the TUC Restructuring

Transaction, the Fund's investment in revenue from the lease of such Remaining Telecommunication Towers under the Tower Slots Lease Agreements will automatically terminate by operation of law when the lessor and lessee become a single entity (TUC).

The Fund and TUC deem it is appropriate to take the following actions so that the Fund's income-generating arrangements are aligned with, and reflect, the Amalgamation as part of the TUC Restructuring Transaction, and so that the Fund preserves its rights under the ARSTAs:

- a. The Fund will enter into a confirmation and undertaking agreement with TUC (the "**Confirmation and Undertaking Agreement**") to replace the ARSTAs (that is, the Confirmation and Undertaking Agreement will terminate and replace the ARSTAs, given that the Fund's right to receive benefit from revenue will derive from the Tower Slots Lease Agreements, which will automatically terminate by operation of law upon completion of the Amalgamation). The key terms of the Confirmation and Undertaking Agreement are as follows:
  1. TUC agrees to make payments directly to the Fund in an amount equal to the monthly rental revenue received from the lease of the Remaining Telecommunication Towers that AWC and BFKT were required to deliver to the Fund under the ARSTAs;
  2. TUC confirms and agrees to assume the rights and obligations of AWC and BFKT under the ARSTAs and all relevant documents and agreements entered into thereunder, to the extent that such rights and obligations remain applicable to AWC and BFKT as at the date of the Amalgamation.

The entry into the Confirmation and Undertaking Agreement, which will terminate and replace the ARSTAs, requires unitholders' approval as it constitutes entering into, amending and terminating agreements relating to the Fund's income-generating arrangements. Please refer to Attachment 2 for further details of the key terms of the draft Confirmation and Undertaking Agreement to support your consideration.

- b. The Fund will enter into a confirmation letter issued by TUC (the "**Confirmation Letter**"), pursuant to which TUC shall confirm and agree to assume all rights and obligations of AWC under the LTLA, to the extent that such rights and obligations remain applicable to AWC as at the date of the Amalgamation.

The Fund's execution of acknowledgement of the Confirmation Letter from TUC does not require unitholders' approval as it does not involve any amendment to agreements relating to the Fund's income-generating arrangements. TUC will in any event assume the rights and obligations of AWC by operation of law upon completion of the Amalgamation.

The Management Company therefore proposes that this unitholders' meeting consider and approve the entry by the Management Company of the Confirmation and Undertaking Agreement as described in a. above, and grant the Management Company the authority to proceed with all actions in relation thereto, including, without limitation, the following:

1. To negotiate, agree, enter into, prepare, amend, modify, complete, certify, execute, file and deliver the Confirmation and Undertaking Agreement, including any amendment and restatement agreements and all other related documents and agreements, as the Management Company deems appropriate.
2. To obtain all necessary consents, approvals, authorisations and waivers from counterparties to agreements relating to the Fund and from third parties or relevant authorities, as

necessary or in connection with the entry into the Confirmation and Undertaking Agreement with TUC.

3. To undertake any other acts necessary for or in connection with the entry into the Confirmation and Undertaking Agreement with TUC, including to appoint and/or remove substitutes to carry out such actions, in order for successful completion of the transaction in all respects.

As the entry into the Confirmation and Undertaking Agreement is a transaction between the Fund and TUC, which is regarded as a related person of the Fund, the Management Company is required to obtain prior written approval from the fund supervisor pursuant to the Notification of the Office of the Securities and Exchange Commission No. SorThor. 14/2558 Re: Rules in Detail on the Prevention and Management of Conflicts of Interest dated 7 April 2015 (as amended). The Management Company has sought approval from KASIKORNBANK Public Company Limited (the “**Fund Supervisor**”) as the fund supervisor, and has obtained such approval from the Fund Supervisor, as evidenced by the Fund Supervisor’s written approval dated 27 March 2026.

#### **Opinion of the Management Company**

Unitholders should approve the entry into the Confirmation and Undertaking Agreement with TUC and the authorisation of the Management Company to act on such transaction. The Management Company has considered this matter with regard to the best interests of the Fund and the unitholders and is of the view that entering into the Confirmation and Undertaking Agreement will not adversely affect the Fund’s income-generating arrangements, for the following reasons:

1. The amount of income that the Fund will receive under the ARSTAs, namely the amount payable by TUC to the Fund under the Confirmation and Undertaking Agreement, will be fixed when compared with the monthly revenue from the lease of the Remaining Telecommunication Towers that the Fund would otherwise receive from AWC and BFKT under the ARSTAs.
2. The Fund will receive income payments directly from TUC which is a company with creditworthiness. It is noted that TRIS Rating Co., Ltd. has assigned a credit rating to TUC for the past three years, at the same level as TRUE, namely A+. This reflects the strength of TUC. In addition, TUC is a mobile phone service provider that holds spectrum licences granted by the National Broadcasting and Telecommunications Commission (“**NBTC**”) for the operation of telecommunications businesses, resulting in continuity of operations and stability of revenue. TUC also plays an important role in conducting the core business and is the main source of income and profit for the TRUE group. This demonstrates TUC’s stable performance and reliable financial position and therefore significantly enhance the reliability of its ability to pay the revenue under the agreements to the fund while AWC and BFKT have not been assigned any credit ratings and do not hold licences to operate telecommunications businesses.
3. The rights and obligations of AWC and BFKT applicable to each of them as at the date of the Amalgamation under the ARSTAs, including all relevant documents and agreements entered into thereunder, will be transferred to TUC by operation of law. Accordingly, the Fund will be able to continue to enforce its rights that it currently has against AWC and BFKT under the ARSTAs, as well as all relevant documents and agreements above, against TUC without any impact.

In addition, the Fund’s execution of acknowledgement of the Confirmation Letter from TUC will not affect the Fund’s income-generating arrangements since such acknowledgement merely affirms the

transfer, by operation of law, of all rights and obligations of AWC under the LTLA to TUC. The Fund will therefore be able to continue to enforce its rights under the LTLA, as against AWC, directly against TUC without any impact.

**Opinion of the Fund Supervisor**

Further to the Management Company’s proposal for the Unitholders’ consideration in Agenda 1.1 regarding the approval for the Fund to enter into the Confirmation and Undertaking Agreement with TUC in order to reflect TUC’s restructuring transaction,

The Fund Supervisor has considered the relevant information and is of the view that the Amalgamation under such restructuring transaction will not have any impact on the Fund’s revenue or benefits. In addition, the Fund will not be exposed to regulatory risks from the Office of the NBTC, and there will be no impact on the appraised value of the Fund’s assets. All expenses relating to the implementation of the transaction will be borne by the TRUE Group, in accordance with the information and explanations provided by the Management Company. The Fund Supervisor is therefore of the opinion that the entry into the Confirmation and Undertaking Agreement between the Fund and TUC is an appropriate course of action to reflect TUC’s new transaction structure, which is relevant to and has an effect on the rights and benefits of the unitholders.

The consideration of, and voting on, this matter is, however, primarily at the discretion of the unitholders. The unitholders should carefully study all information contained in the documents delivered together with the notice of the meeting, and consider the advantages, disadvantages and related risk factors, in order to exercise their judgement prudently and vote in an appropriate manner.

**Resolution**

This agenda requires approval by votes of not less than three-fourths of the total number of investment units held by the unitholders attending the meeting and entitled to vote. Any unitholder having a conflict of interest in the entry into the Confirmation and Undertaking Agreement shall not be entitled to vote on this agenda.

Unitholders, having a conflict of interest in the entry into the Confirmation and Undertaking Agreement as of 6 March 2026, are as follows:

Name of unitholder	Number of units held (units)	Percentage of total issued units of the Fund (%)
True Corporation Public Company Limited	2,185,561,907	20.557

**Agenda 1.2 To consider and approve the amendments to the Fund Scheme to reflect the TUC Restructuring Transaction**

**Facts and rationale**

As the Fund will enter into the Confirmation and Undertaking Agreement and execute the Confirmation Letter from TUC so that the Fund’s income-generating arrangements will align with, and reflect, the Amalgamation as part of the TUC Restructuring Transaction, and to be consistent with the Fund’s operations as described under Agenda 1.1, it is necessary to amend the Fund Scheme to reflect such changes of the information in the Fund Scheme in accordance with the relevant regulations. Unitholders may review the details of the Fund Scheme, in which the information has been updated, prior to this unitholders’ meeting no. 1/2026, and may also review the summary table of the amendments to the Fund Scheme proposed to update, revise and

supplement the details and provisions relating or incidental to the TUC Restructuring Transaction in Attachment 1 and 3, respectively.

The Management Company therefore proposes that this unitholders' meeting consider and approve the amendments to the Fund Scheme to incorporate all changes relevant to the TUC Restructuring Transaction as proposed in all respects, and grant the Management Company the authority to proceed with all actions in relation thereto, including, without limitation, the following:

1. To amend, supplement and update the relevant information in the Fund Scheme in order to align with, and reflect, the Amalgamation as part of the TUC Restructuring Transaction and the Confirmation and Undertaking Agreement and execute the Confirmation Letter from TUC as proposed above, as the Management Company deems appropriate or as may be required by, or in accordance with the recommendations or orders of, the Office of the Securities and Exchange Commission (the "**SEC Office**"), the Stock Exchange of Thailand (the "**SET**") and/or other relevant authorities. This includes the power to sign, certify, prepare and deliver all relevant documents as necessary, and to liaise, discuss, coordinate, prepare and undertake all actions in respect of obtaining approvals, permits, consents or waivers from the SEC Office, the SET or other relevant authorities in order to implement such amendments.
2. To undertake any other acts necessary for or in connection with the amendments, modifications, supplements and updates to the relevant information in the Fund Scheme, including appointing and/or removing substitutes to carry out such actions, in order for the successful completion of the transaction in all respects.

#### **Opinion of the Management Company**

Unitholders should approve the amendments to the Fund Scheme as such amendments are intended to update the Fund Scheme so that it is consistent with, and reflects, the TUC Restructuring Transaction and the Fund's operations. Unitholders should also approve the authorisation of the Management Company to undertake all actions necessary for or in relation to amending, modifying, supplementing and updating the relevant information in the Fund Scheme in order for the successful implementation of the proposed amendments in all respects.

#### **Opinion of the Fund Supervisor**

Further to the Management Company's proposal for the Unitholders' consideration in Agenda 1.2 regarding the consideration and approval of the amendment to the Fund Scheme in order to reflect the TUC Restructuring Transaction.

The Fund Supervisor is of the view that the approval of the amendment to the Fund Scheme to reflect the TUC Restructuring Transaction is necessary so that the operational guidelines are consistent with the resolutions of the unitholders meeting. However, if the unitholders meeting does not approve Agenda 1.1, no amendment to the Fund Scheme will be implemented.

The consideration of, and voting on, this matter is, however, primarily at the discretion of the unitholders. The unitholders should carefully study all information contained in the documents delivered together with the notice of the meeting, and consider the advantages, disadvantages and related risk factors, in order to exercise their judgement prudently and vote in an appropriate manner.

#### **Resolution**

This agenda requires approval by a majority of the total number of investment units held by the unitholders attending the meeting and entitled to vote.

Agendas 1.1 and 1.2 are interrelated and must be approved by the unitholders at the meeting in all respects. In the event that any agenda is not approved by the unitholders, any other agenda which has been approved earlier at the unitholders meeting shall be deemed cancelled, and the remaining agenda item(s) shall not be considered further.

**Agenda 2 Other matters (if any)**

The Management Company therefore invites the unitholders to attend the meeting on the date and time specified above via electronic meeting. Unitholders can review the procedures on registration, meeting attendance, and granting of proxy as set out in **Attachment 4** as well as an acceptance for the Invitation Letter of the unitholders' meeting No.1/2026 as set out in **Attachment 5**. **Summary of the key terms of the draft Confirmation and Undertaking Agreement to replace the asset and revenue sale and transfer agreement under which the Fund has invested in the right to receive the benefit from revenues from telecommunication towers owned by Asia Wireless Communication Co., Ltd. (“AWC”) and BFKT (Thailand) Limited (“BFKT”), in order to reflect the restructuring of AWC and BFKT by way of amalgamation into True Move H Universal Communication Co., Ltd. (“TUC”)**

  - The Fund.
- Recitals .....
- AWC, as seller, entered into the Asset and Revenue Sale and Transfer Agreement dated 24 December 2013 (**the "AWC Asset and Revenue Sale and Transfer Agreement"**) with the Fund, as purchaser, pursuant to which AWC sold and assigned, and the Fund agreed to purchase and accept the assignment of, certain revenue. As at the date of this Confirmation and Undertaking Agreement, the remaining revenue to be delivered to the Fund under the AWC Asset and Revenue Sale and Transfer Agreement consists of the rental revenue to be received by AWC from TUC in respect of 392 telecommunications towers of AWC (**the "AWC Remaining Specified Assets"**) pursuant to the AWC Remaining Specified Asset Leasing Agreement between AWC and TUC dated 4 August 2025 (**the "AWC Remaining Specified Asset Rental Revenue"**) for the period from 4 August 2025 to 3 August 2035.

As at the date of this Confirmation and Undertaking Agreement, the remaining revenue to be delivered to the Fund under the BFKT Asset and Revenue Sale and Transfer Agreement consists of the rental revenue to be received by BFKT from TUC in respect of 50 telecommunications towers of BFKT (**the "BFKT Remaining Specified Assets"**) and, collectively with the AWC Remaining Specified Assets, the **"Remaining Specified Assets"**) pursuant to the BFKT Remaining Specified Asset Leasing Agreement between BFKT and TUC dated 4 August 2025 (**the "BFKT Remaining Specified Asset Rental Revenue"**) for the period from 4 August 2025 to 3 August 2035.
  - As a result of the proposed amalgamation (which shall be in accordance with section 1238(2) of the Civil and Commercial Code) of BFKT and AWC into TUC, BFKT and AWC will, at the time of execution of this Confirmation and Undertaking Agreement, cease to exist as juristic persons, while TUC will be the surviving entity and continue its business operations. TUC will receive all assets (including the Remaining Specified Assets), liabilities, rights and obligations of BFKT and AWC by operation of law. As a consequence, from the

date of completion of the amalgamation, the AWC Remaining Specified Asset Leasing Agreement and the BFKT Remaining Specified Asset Leasing Agreement will cease to exist by operation of law, and TUC will assume the rights and obligations of AWC and BFKT under the AWC Asset and Revenue Sale and Transfer Agreement and the BFKT Asset and Revenue Sale and Transfer Agreement.

Confirmation and Undertaking by TUC

- TUC confirms that it assumes the rights and obligations of BFKT and AWC under the AWC Asset and Revenue Sale and Transfer Agreement and the BFKT Asset and Revenue Sale and Transfer Agreement, and all relevant documents and agreements entered into thereunder, to the extent that such rights and obligations are still applicable to BFKT and AWC as at the date of the amalgamation, details of which are set out in this Confirmation and Undertaking Agreement.
- TUC undertakes to make payment to the Fund in amounts equal to the Monthly Remaining Specified Asset Rental Revenue in respect of the AWC Remaining Specified Assets and the BFKT Remaining Specified Assets that BFKT and AWC were obliged to deliver to the Fund under the AWC Asset and Revenue Sale and Transfer Agreement and the BFKT Asset and Revenue Sale and Transfer Agreement, respectively, from the date of completion of the amalgamation until the earlier of: (i) the relevant AWC Remaining Specified Asset Revenue and/or BFKT Remaining Specified Asset Revenue having been paid to the Fund in full; and (ii) the date on which the relevant AWC Remaining Specified Assets and/or BFKT Remaining Specified Assets have been sold and transferred to the Fund.

Title and Risk .....

- Title and risk of loss or damage to the AWC Remaining Specified Assets and the BFKT Remaining Specified Assets, as the case may be, shall pass to the Fund upon the respective Remaining Specified Asset Closing, except as otherwise provided in the Confirmation and Undertaking Agreement.

**Attachment 2**

Other Key Obligations of TUC .....

- From the relevant closing of the transfer of the Main Specified Assets or Remaining Specified Assets under the AWC Asset and Revenue Sale and Transfer Agreement and the BFKT Asset and Revenue Sale and Transfer Agreement (the “**Asset Closing Date**”), TUC shall at its own expense, as and from the date of completion of the amalgamation:
  - in relation to any land and/or property leases for any sites which cannot be assigned or novated to the Fund, procure that each of the Fund, the lessees of the Main Specified Assets or the Remaining Specified Assets, the Telecom Asset Manager and their designated persons has the right to access and to use the relevant sites;
  - in relation to any contracts with respect to the Main Specified Assets or the Remaining Specified Assets entered into by or on behalf of AWC or BFKT prior to the relevant Main Specified Asset Closing or Remaining Specified Asset Closing, as the case may be, which cannot be assigned or novated to the Fund, procure that the Fund can enjoy the rights and benefits of TUC under such contracts;
  - for a period of nine months following each Remaining Specified Assets Closing Date:
    - (i) give to the Fund such information and assistance as it may reasonably require relating to the relevant Remaining Specified Assets which have been delivered and transferred to the Fund (the “**Transferred Remaining Specified Assets**”); and
    - (ii) use reasonable endeavours to provide the Fund with such facilities and services as the

## Attachment 2

Fund may reasonably require (at the cost of TUC) to enable the Transferred Remaining Specified Assets to be used in all material respects in the same manner in which they were used immediately prior to the relevant Remaining Specified Assets Closing Date; and

(iii) retain the documents relating to the Transferred Remaining Specified Assets and shall allow the Fund reasonable access to such documents.

- From the relevant Asset Closing Date, if, as a result of (A) a site or part thereof which has been assigned or novated to the Fund, in relation to any of the relevant Main Specified Assets or the Remaining Specified Assets which have been delivered and transferred to the Fund (the “**Transferred Specified Assets**”) being seized, taken into custody or otherwise rendered unsuitable for use by any tenant due to any illegality to access or to use such site or any part thereof which is not attributable to the Fund, (B) prior to the leases being assigned or novated to the Fund, the validity, legality or any right to use a site pursuant to any lease for any Transferred Specified Asset being challenged which is not attributable to the Fund, or (C) TUC fails to procure the access to and use of the relevant sites to the Fund, the tenants, the Telecom Asset Manager or their designated persons (the “**Affected Site**”):
  - any tenant or the Fund is unable to access, operate and/or use the Transferred Specified Assets; or
  - the Telecom Asset Manager is unable to provide the services at the Affected Site in accordance with the Master Services Agreement,

then TUC shall, at its own costs and expenses, as and from the date of completion of the amalgamation:

- procure or obtain a new site that both the parties agree would be substantially equivalent to the Affected Site (both parties acting reasonably) having regard to:
  - (i) its location;
  - (ii) the tenants’ network coverage that would be available from the new site; and
  - (iii) the capacity and space available to install the Transferred Specified Assets and other tenants’ telecommunications equipment at the new site; and
- relocate the Transferred Specified Assets which are located on the Affected Site or procure new equipment and assets having at least the same quality, specifications and capacity as the Transferred Specified Assets to be installed on the new site and shall ensure that the capacity,

## Attachment 2

performance and space availability of the Transferred Specified Assets or the new equipment and assets, which are relocated and installed on the new site remain the same as they were located on the Affected Site prior to such site becoming the Affected Site.

- In case that TUC fails to relocate the Transferred Specified Assets or procure the new assets in respect of an Affected Site and such failure has not been remedied to the Fund's reasonable satisfaction within the period specified in the Confirmation and Undertaking Agreement, TUC shall:
  - purchase and/or procure the purchase of the relevant Transferred Specified Assets which are located or installed on the Affected Site (the "**Affected Assets**") at the price equal to (i) in respect of the Main Specified Assets, the relevant Terminal Value for such Affected Assets plus interest at 7.5 per cent. per annum from the Main Specified Asset Closing Date to and including the date on which TUC pays the Terminal Value of the Affected Assets to the Fund; and (ii) in respect of the Remaining Specified Assets, the Remaining Specified Assets Purchase Price for such Affected Asset plus interest at 7.5 per cent. per annum from the Remaining Specified Asset Closing Date to and including the date on which TUC pays such Remaining Specified Assets Purchase Price to the Fund;
  - pay the Fund all costs and expenses in connection with the sale and transfer of the Affected Assets and all lease and rental payments of the Affected Assets that the tenants of such Affected Assets do not pay the Fund due to such tenants being unable to use the Affected Assets; and
  - pay the Fund all costs, expenses, damages, losses, claims and liabilities incurred or to be incurred by the Fund arising out of or resulting from the use of the Affected Site, the leases and the relocation of the Affected Assets and the tenants' claims against the Fund due to the tenants being unable to use the Affected Assets.
- The relevant Terminal Value in relation to any Main Specified Assets shall be an amount equal to (i) in respect of the BFKT, 18 times the aggregate amount of the BFKT Monthly Sale Revenue for the 12 months preceding the month in which the Main Specified Asset Closing Date occurs; and (ii) in respect of AWC, an amount equal to 14 times the aggregate amount of the AWC Monthly Sale Revenue for the 12 months preceding the month in which the Main Specified Assets Closing Date occurs.
- Subject to TUC's compliance with its obligations in relation to the repurchase of the Affected Assets as described above, the Fund shall pay TUC the full

amount of the relevant rental payments in relation to the Affected Assets that the Fund has received from the relevant lessees of such assets which are entities within True Group plus interest at 7.5 per cent. per annum from the date on which the Fund received each rental payment from the relevant lessees of such assets to and including the date on which the Fund pays such rental payments to TUC, provided that such amount shall not exceed the relevant Affected Asset Purchase Price.

- The obligation of TUC in relation to the relocation and repurchase of the Affected Assets on the site which has been assigned or novated to the Fund, in relation to any Transferred Specified Asset being seized, taken into custody or otherwise rendered unsuitable for use by any tenant due to any illegality to access or to use such site or any part thereof shall be limited to five years after the date of the assignment or novation of such site to the Fund.

Limitation of Liability of TUC .....
