### Re: Closure of Subscription and Switching-in Orders for Super Savings Fund (SSF)

Due to the tax benefits of the Super Savings Fund ("SSF") ending on 31 December 2024, and to prevent any errors that may arise from utilizing these benefits, SCB Asset Management ("SCBAM") would like to inform you that, effective 1 January 2025, SCBAM will close the acceptance of subscription and switching-in orders for SSF share classes of all funds (listed in the attachment). The details are as follows:

- 1) Subscription Orders
- 2) Switching-in Orders from non-SSF funds

SCBAM reserves the right to automatically cancel any Planning Orders/DCA and Advance Orders that are effective after 1 January 2025, which were previously placed.

However, switching orders among SSF categories under SCBAM will still be available as usual. If unitholders wish to invest further in funds with the same investment policy as the SSF share classes you hold, you can still invest in other share classes of those funds. For more details on the available share classes of each fund, please visit the SCBAM website or contact Client Relations at 0-2777-7777 during business days between 08:30 and 17:00 for further inquiries.
