

Wellness City .... A world-class health community for elderly retirees. The only such facility in Thailand.

**Wellness City .... A world-class health community for elderly retirees. The only such facility in Thailand.**

A special facility for retirees (World Class Retirement City) that is comprehensive and spans 1,200 rais. It caters to all the needs of retirees and especially excels in its residential services, hotel services, and medical services.

Wellness City is the only world-class retirement community in Thailand that is comprehensive and spans 1,200 rais. It caters to all the needs of retirees and especially excels in its residential services, hotel services, and medical services. There is a 24-hour emergency center (Call Center 1752) integrated into Wellness City. It is an ideal community sought by retirees all over the world for 6 key reasons: social, environmental, safety, convenience, health, and spiritual

happiness. Convenience facilities include Welness Mall, Wellness Condotel Organic Market, convenience stores, gift shop, health food restaurant and many other shops on site. Wellness City welcomes retirees to become a member in the only world-class facility available in Thailand.

We welcome you to our facility
